

**Inspection Report**  
**Chief's Order No. 2014-01**  
**Division of Oil and Gas Resources Management (DOGRM)**

---

**Date:** 11/18/2020

**Site Name:** 4K Industrial Park Facility

**Location:** 1001 Main Street, Martins Ferry, Belmont County

**Owner:** 4K Industrial Park, LLC

**Contacts:** Emergency & Site – Brian Hunt, 740/359-2799

**Weather:** Approximately 50°F, cloudy

**Arrival/Departure:** 1:50 PM / 3:15 PM

**Attendees:** 4K – Brian Hunt & Terry Dusz  
DOGRM – Tara Lee & Martha D'Anna

**Purpose:** 4<sup>th</sup> Quarter Site Inspection 2020

**Inspection/Observations:**

- Mr. Hunt led DOGRM on a tour of the waste facility and a meeting was held afterwards to discuss future plans of the waste facility. Discussion was held on 4K's plans and permits for the barge off load.
- Mr. Hunt stated that no liquid waste had been received since April 2020.
- DOGRM received an amendment for 2 additional tanks to be added to the rock box containment area on 10/17/19 and DOGRM replied with comments on 10/18/19. No response from 4K had been received and no additional tanks had been installed as of this inspection.
- Chains at the water on/off loading area were installed. The liner had begun to peel from the concrete on the truck offloading and onloading area.

**Action Items:**

- Provide notification to DOGRM if additional tanks within the rock box area is still proposed. If so, please provide response to 10/18/19 comments.
- Continue to manage stormwater in the secondary containment.
